Important events to report: Significant contract signing

In accordance with the provisions of Article 234 (1) letter i) of the ASF Regulation no. 5/2018 on issuers of financial instruments and market operations and Law no. 24/2017 on issuers of financial instruments and market operations.

Connections Consult SA announces the signing of a new contract with a public institution in order to design, develop, implement and launch into production an advanced data analysis information system, big data, with an artificial intelligence component.

The total amount of services, equipment and software products to be delivered by Connections Consult SA is 56,949,550.00 lei plus VAT.

During 2025, we estimate that services and equipment worth approximately RON 47,000,000 will be delivered excluding VAT.

The signed contract is part of CONNECTIONS CONSULT S.A.'s strategy of delivering and operating digital transformation services, through the implementation of platforms and workflows that are based on both classic technologies and those that revolutionize the current context, such as AI and Cybersecurity.

Sincerely,
Bogdan Liviu Florea
Chairman of the Board of Directors
